

PREPARING FOR THE SEARCH

Andrew Kumar

Career Coach, General Assembly Los Angeles

- What should I know before I start my job search?
- How important are portfolios?
- What should be on my portfolio site?
- How important is my GitHub profile?

The job search is work.

A portfolio is essential.

Don't build it from scratch.

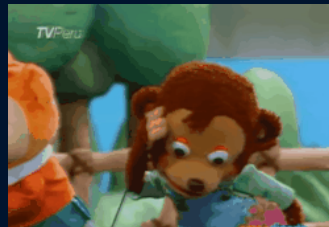

- <https://gipartida.github.io/portfolio/>
- <http://chelseabarocio.com/>
- <http://www.quocbdo.com/>

Use Bootstrap.

Or Wordpress.

OR

Squarespace.

About Me.

- Have a short bio of yourself on your portfolio site, showcase your personality!
- Tell us what technologies you work in.

Your Work.

Deployed app.

Your Code.

Email Address.

LinkedIn.

Your Resume.

Let's talk about GitHub.

Me

The guy she tells me not to worry about

Stay Active.

Have a clean file structure.

Well written Read Me.

Real Talk.

Outcomes is a two-way street.

Stay in contact.

Post grad week is not optional.

DELIVERABLE
