The week after graduation (aka Post Grad Week or Week 11), we'll teach you how to deploy your toolkit:
– Where to look for opportunities,
– How to get yourself out there,
– What appropriate opportunities look like and
– How to stay motivated and organized during as you step on your first career stepping stones.

We'll come together as one big cohort (DTLA and SAMO groups combine) and will alternate campuses each day as a group. "1 coach, 1 combined group, alternating campuses each day of post grad week."
